

Hi, my name is Dawn Bavis, and I am the assistant teacher in the Hummingbird Class as well as the teacher FLEX class. I have had the pleasure of being a parent volunteer, a Substitute Teacher and a Teacher's Assistant here at Joyful Noise for almost twelve years now. I absolutely love working with the students of JNP.

My family and I moved from Maryland to York, PA in 2006. My husband, Don and I have 5 children, and 1 (soon to be 2) grandchild(ren)! Two of our daughters are JNP alumni. Family is our everything. We feel blessed beyond measure!
