

Hello, my name is Nancy Roberts. I will be starting my 21st year at Joyful Noise. Originally from northern New Jersey, my husband Rich and I have lived in York Township for 32 years. We have three children, and two grandchildren.

We have a Golden Retriever named Whimsey, and a cat named Chester. I also raise puppies for the Seeing Eye. I am currently raising Violet, and Venus. They are the 19th & 20th puppies I have raised!

I enjoy watching the children grow and learn throughout the year!
